	07/01/11	FREEZE YEAR – Achievement Pay (market and performance)
FY 11 - 12		No annual salary adjustments for FY 2011-12. No base or non-base achievement pay, no pay structure adjustments, and no increases for SES positions. Group benefits contributions: Maintain funding for State contribution to medical premiums at average of 90% and dental at 85% of prevailing market employer contribution. Retirement: 7/1/11 through 6/30/12, PERA employer contribution rates 7.65% (10.25% with AED) and 10.35% for Troopers (12.95% with AED); member contribution rates 10.5% and 12.5% for Troopers (SB 11-076). Legislation: Continue modification to PERA contribution levels reducing State contribution by 2.5% and increasing employee contribution by 2.5% (SB 11-076). Higher education flexibility removes those employees from the State Employee Cost Savings Incentive Program and allows alternative cost savings incentive program; personal services contracts implicating the state personnel no longer subject to the Director's review process; annual report of positions exempted from the state personnel
		system no longer required; allowed to offer group benefit plans in addition to or in lieu of State plans under certain conditions (HB 11-1301).
		Federal Healthcare Reform Law: Extend eligibility of adult child, up to age 26.
	01/01/12	Colorado Minimum Wage: Increase to \$7.64 per hour, adjustment to Temporary Aide
		class pay grade (P10).

	07/01/13	groups funding an average of 1.6%. Group benefits contributions – Maintain funding for State contribution to medical premiums at average of 90% and dental at 85% of prevailing market employer contribution.
4		System Maintenance Study - Information Technology Services and Applications Programmer
FY 13-14	01/01/14	Pay - Reversal of the annual payday shift; effective June 2013 for biweekly paid employees, does not affect monthly employees (HB 12-1246). Legislation: The Colorado Family Care Act (HB 13-1222) expands the definition of a family member to include spouses, civil union partners, and same-gender domestic partners if they meet the eligibility requirements under the FMLA. This leave will not count against the employee's entitlement to federal FMLA leave because partners in civil unions and same-gender domestic partners are not considered spouses under the FMLA. Colorado Minimum Wage Increase to \$8.00 per hour, adjustment to Temporary Aide class pay grade (P10).

FY 14 - 15	01/01/15	Salary Adjustments – Across the board salary increase of 2.5%, merit pay, priority groups funding an average of 1.2%. Overall, the comparison of the State's actual salaries in relationship to market salaries indicates that the majority of classes benchmarked are within the 7.5 percent target threshold. The percent growth on the budgeted dollars is approximately 3.8 percent. Group benefits contributions – Maintain funding for State contribution to medical premiums at average of 90% and dental at 85% of prevailing market employer contribution. System Maintenance Study –The General Professional Class Series is too broad to effectively match market positions and needs defined into smaller alike family series. Also the Program Assistant and Technician series may be too broad to effectively match the internal relationships with the General Professional series. Therefore, the division will be conducting a system maintenance study on these classes for the FY 2014-15. PERA - In response to a request for information (RFI) issued by the Joint Budget Committee (JBC), the State of Colorado is in discussions with PERA to include the value of retirement benefits to employees in the total compensation report. The Department is currently working within the scope of its statutory authority and current resources to gather, analyze and present information to the JBC. Additional analysis beyond this will likely require additional funding or spending authority. The Department plans to include PERA benefits in the Annual Compensation Report for FY 2015-16

Increases in actual base salary have always been and continue to be subject to range maximums. Generally, pay grades are approximately 2.5% apart. For specific grade values, refer to the appropriate year's official State of Colorado compensation plan.

Prior to FY 02-03, anniversary (7/2/98 to 7/1/02) and step (prior to 7/2/98) increases were funded at an average of 2.2% of payroll. SB 00-211 required implementation of performance pay on 7/1/02 to be cost neutral. Trooper subgroup recommendation 3.2% for structure and actual.

FY 03-04, Trooper subgroup recommendation 3.5% for structure and actual – not funded and not to be recovered in future surveys.

Prior to FY 04-05, no annual recommendation for funding the mechanism to move salaries through the pay ranges (performance pay, anniversary or step increases) was included in the annual compensation report or recommendations. Each department individually calculated and submitted requested funds in accordance with Common Policy formula as part of the budgeting process. The passage of the Total Compensation Act of 2003 brought salary increases (market and performance) together as part of the Director's annual recommendation, beginning with the 8/1/03 recommendation. **FY 04-05**, ranges were adjusted by the occupational group recommendations; however, salaries were adjusted by the uniform across-the-board 2% for all employees rated Level 2 or higher. Trooper subgroup recommendation 2.8% structure and 7.3% actual – funded actual by uniform across-the-board 2%.

FY 05-06, ranges were adjusted by the occupational group recommendations; however, salaries were adjusted by the uniform across-the-board 3% for all employees rated Level 2 or higher. Trooper subgroup recommendation 2% structure and 5.2% actual.

FY 06-07, total funded included 0.37% to raise all range minimums by 2% plus added amounts by occupational group: ASR 3.5%, FS 3.0%, HCS 1.0% up to grade C69, LTC 1.0%, PS 4.0%, PSE 4.5%, and Teacher 4.0% for grade J28 and above. The Medical group was abolished and classes consolidated into the HCS group. Trooper subgroup recommendation 5.1% structure and 7.2% actual – funded both at 5.1%.

FY 07-08, total salary increases by occupational group: ASR 3.77%, EPS 4.38%, FS 3.57%, HCS 5.18%, LTC 3.57%, PS & Teachers 4.48%, and PSE 4.68%. Trooper subgroup recommendation 3.7% structure and 6.63% actual.

FY08-09, total salary increases by occupational group: ASR 4.43%, EPS 3.69%, FS 5.06%, HCS 4.18%, LTC 3.33%, PS 5.13%, and PSE 3.25%. Teacher group abolished and classes consolidated into PS group. Trooper subgroup 2.86% structure and 6.06% actual.

FY09-10, no salary increases, no pay structure adjustments; an additional .8% (approximately \$12 million) of the total salary increase was recommended but unfunded for special recognition programs.
